Dear Sir:

The U.S. patent document references listed under the heading "U.S. Patent Documents" in the attached Information Disclosure Statement may be material to examination of the above-identified patent application. The non-U.S. patent document reference listed under the heading "Other Documents" in the attached Information Disclosure Statement, a copy of which is attached, may be material to examination of the above-identified patent application. Applicant submits these references in compliance with its duty of disclosure pursuant to 37 CFR §§1.56 and 1.97. The Examiner is requested to make these references of official record in this application.

This Information Disclosure Statement is not to be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, or that these references indeed constitute prior art.
